 Republic of the Philippines Department of Agriculture BUREAU OF ANIMAL INDUSTRY	SPS Import Clearance 
33. Import Conditions 1. I declare that these products will be used in accordance with all Philippines quarantine requirements as may be specified in the VQC to be issued for the importation and other DA rules and regulations relevant thereto. 2. I subscribe and declare to follow all the applicable provisions of the DA rules, regulations, standards, on the importation of meat and meat products into the Country and other DA rules and regulations relevant thereto. 3. I declare that at the time of the filing of this application, the animals or animal products or animal by-products or meat and meat products that are to be imported are still in the country of origin and have not yet boarded in a vessel/aircraft. 4. I declare that the information I have provided herein are true and accurate to the best of my knowledge and belief. This importation is subject to DA existing rules and regulations and to the following conditions stated at the back hereof. This Clearance shall be valid for only one shipment. Failure to import the quantity allowed will result in a forfeiture of the right to import the balance. Please see additional conditions on third page	
34. Other Conditions / Requirements Applications to import pet animals shall be subject to the following conditions: 1. That the animals should be accompanied by a health certificate issued shortly before shipment by the proper veterinary authority of the country of origin stating that the animals have been carefully examined and found to be free from and have not been exposed to dangerous communicable animal diseases; 2. That in countries not considered free of rabies, an additional certification is required to the effect that there are no cases of rabies within a twenty (20) kilometer radius from the point of origin during the last six (6) months; 3. That the animals should be accompanied by a valid vaccination certificate against rabies, canine distemper, infectious hepatitis leptospirosis, canine parvovirus and feline panleukopenia. For countries considered to be free from rabies, vaccination could be waived; 4. That the animals were treated for internal and external parasites; 5. If the animal arrived unaccompanied by said health and vaccination certificates or are showing signs of dangerous communicable animal disease, they must be quarantined and/or disposed of at the expense of the importer at the discretion of the Director of Animal Industry; 6. Four months old and above are only allowed to ship to the Philippines; 7. The importer should pay the inspection and SPS Import Clearance fees at the BAI Quarantine office.
